THE STORY OF KAAKAT

It all started in 1998 when the idea of Kaakat came up as a distinctive concept of the local Lebanese Kaaké.
In the year 2000 it was the first of its kind who offered this Lebanese specialty.

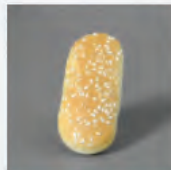

By the year 2002, Kaakat became one of the most iconic food services in Lebanon with unique ideas such as offering a Mini Kaakeh with each item ordered. This was widely accepted by our customers, which led to the development of a wide variety of small Kaakeh bites with unique savory and sweet fillings, known as Mini Kaakat.

Today, Kaakat is the leader in the market, serving high quality fresh Gourmet Bites, along with other mouthwatering varieties the heart desires.

Thank you for choosing Kaakat and we hope you enjoy our exquisite varieties being served to you!
